

## Licensing Reminder—Transactions with Unlicensed Businesses

Please help the VSA by reminding your business partners they must now be licensed

**Wholesalers** The [Registry of Licensed Wholesalers](#) lists the only businesses permitted to bid at wholesale auctions and to engage in the sale, exchange or other disposition of a used vehicle to a dealer or another wholesaler. Avoiding the transfer of the vehicle title into the name of the wholesale business does not remove this requirement. A licensed salesperson can be nominated by their licensed dealer to act as that dealer’s wholesaler representative. Please contact [licensing@mvsabc.com](mailto:licensing@mvsabc.com) or call 604-575-7256, toll free 1-866-400-3529, for more information. [Wholesaler General Guidelines](#) can be found here.

**Broker Agents** The [Registry of Licensed Broker Agents](#) lists the only businesses permitted to assist consumers acquire vehicles as their agent. A broker agent must provide those services using a licensed broker agent representative. A broker agent may not collect fees from the seller and must act at all times in the best interest of the buyer. [Broker Agent General Guidelines](#) can be found here.

**Transactions with unlicensed businesses** As of April 1, a licensed dealer conducting business with an unlicensed wholesaler or broker agent will be aiding and abetting a violation of the *Motor Dealer Act* and may be subject to penalties or licence conditions.
